

Invitation - Personal Tours

Make the right choice about your future and our school

Prospective parents and students who missed the Open Evening can still learn about why our College has become so successful and the many improvements and changes we have made:

- enhanced approaches to teaching and learning
- a focus on numeracy and literacy across all key learning areas
- student discipline and a positive behaviour program
- after school and lunch time supervised home work
- an emphasis on student leadership and personal development
- outstanding music, art, and sports programs
- excellent I.T. and music facilities.
