Westpac Bicentennial Foundation Scholarships

The Westpac Bicentennial Foundation supports undergraduate scholars in five areas that are key to shaping the future of Australia. Scholars from across the five scholarship categories will be leaders, innovators, and pioneers - people from all walks of life who

have the drive to shape the future prosperity and growth of Australia. Year 12 Australian citizens or Permanent residents are encouraged to note these scholarships in anticipation of applying for them once at university. The programs on offer include:

❖ Young Technologists

The Young Technologist Scholarship is open to approved technology-related degree at one of eleven partner universities. Students who want a diverse and exciting career working at the cutting edge of technological innovation are encouraged to apply. Successful recipients will receive \$5,000 annually for up to three years to help support their undergraduate studies in technology. Find out more at <http://bicentennial.westpacgroup.com.au/scholarships/young-technologists/>

❖ Asian Exchange

The Westpac Asian Exchange Scholarship supports students who are passionate about Asia and want to actively contribute to Australia's success in Asia. Australian undergraduate students will have the opportunity to spend up to two semesters studying in China, Japan, or Singapore, through the Asian Exchange scholarships. Students will be encouraged to build their own adventure by having the freedom and flexibility to individualise their exchange and enhance their experience through a range of opportunities beyond the classroom. This may be a local internship, volunteering, work experience or intensive language course to enrich your Asian adventure. Valued at \$12,000, the scholarship supports undergraduates who are interested in Asia, and want to actively contribute to Australia's success in Asia in their chosen field. Find out more at <http://bicentennial.westpacgroup.com.au/scholarships/asian-exchange/>

❖ Future Leaders

Applicants can be studying across a wide range of disciplines; however, preference will be given to studies relating to Australia's relationship with Asia and Technology & Innovation and intending enrolling in full-time post-graduate study. Successful recipients will be awarded up to \$120,000 over 2 – 3 years to complete their post-graduate study. Although this scholarship will only be available for students once they at university, they are encouraged to stay abreast of this significant scholarship. Find out more at <http://bicentennial.westpacgroup.com.au/scholarships/future-leaders/>

❖ Social Change Fellowship

10 Fellowships of up to \$50,000 will be awarded to individuals who have the vision and commitment to deliver an initiative that will improve the wellbeing of Australians. The Fellowship is designed to give Australian recipients time and space to develop the skills, knowledge and networks needed to accelerate their growth as a social innovator. This may involve travel study tours, work experience, research or building stronger connections that will directly enhance their ability to lead positive social change.

The Fellowship could cover:

- Six-month personal development journey
- Travel and accommodation costs (overseas and/or domestic)
- Expenses relating to the experience

Beyond the Fellowship, students will also have lifelong support through the *Westpac Scholars* Alumni program. Although this scholarship is not available for undergraduate students, they are encouraged to stay abreast of this significant scholarship. Find out

more at <http://bicentennial.westpacgroup.com.au/scholarships/social-change-fellowship/>

❖ Research Fellowship

Through the Research Fellowship, the Westpac Bicentennial Foundation will be supporting outstanding early career researchers whose ground-breaking work in one of Australia's leading research universities has the potential to enhance Australia's competitive position in technology and innovation or help strengthen Australia's ties with Asian economies. Successful recipients will receive \$400,000 over five years to fund their research work. Although this scholarship will only be available for Australian applicants on completion of their undergraduate degree, students are encouraged to stay abreast of this significant scholarship. THE INFORMATION PROVIDED IN THIS RESOURCE IS A GUIDELINE FOR STUDENTS

It is a summary of many of the foremost academic merit scholarships on offer and it is important that students confirm specific details of the various scholarships, i.e. eligibility, and the closing dates for their application/s themselves.

Students should also check whether the scholarships they are applying for are deferrable or not.

It is also advantageous to visit the university websites regularly as they are frequently updated, and detail numerous other scholarships - *access & equity scholarships, sport, and accommodation scholarships* - not referred to in this resource.

Students should also note that not every tertiary institution is listed here. It is imperative that students are methodical in researching the websites of the institutions they are applying to themselves.

Where possible, reference has been made as to whether the scholarship is available to Commonwealth Supported Students (CSP) – referring to *Australian citizens, some New Zealand citizens*, and residents on *Permanent Humanitarian Visas* only – or whether it is open to International students too.

Students should double-check their eligibility themselves.

Students are encouraged to browse the following links regarding numerous other scholarships - many of which are access & equity scholarships and/or financial assistance opportunities –
