## **2022 Laptop device information**

1. Students will be asked to bring their own device to school for learning purposes.
  - a. The device will need to meet the school minimum required specifications (capable of running windows 10)

**Device information:**

Processor: 1.5 - 2 gigahertz (GHz) or faster processor  
RAM: 4 gigabyte (GB) for 32-bit or 64-bit OS  
Hard disk space: 120 GB for 32-bit for 64-bit OS  
Graphics card: DirectX 9 or later with WDDM 1.0 driver  
Display: 1920×1080 minimum

- b. Not to be damaged resulting in a health and safety issue.
2. If parents/carers wish to purchase a new device, this can be completed via the LWT school portal <https://lnc.orderportal.com.au/> and is the schools preferred 3<sup>rd</sup> party option, which will allow the following:
  - a. Able to complete warranty and or insurance repairs onsite and in a timely fashion
  - b. Consistent with other fellow pupils
  - c. Pre negotiated with supplier for best value
  - d. Ensured to meet recommended specifications

3. If students are not able to bring a digital device that meets the schools requirements, then a device will be provided to them as loan. The period of the loan will be determined on a case by case basis.

School devices, in some instances, may need to be shared.

For further information, please ring the school and our ICT manager will be able to help.
