

SCHOLARSHIP PROGRAM 2023

Our vision at Lalor North Secondary College is to be a hub of education, wellbeing, and excellence in our community. We inspire a love of learning in an inclusive and safe environment where every student experiences success and creates a positive future.

In consultation with our community, the College has developed several new scholarship opportunities commencing at Year 7. Any student who is enrolled to attend the college from the 2023 may apply. Students may also express interest and form part of a waiting list for 2024.

These prestigious scholarships last for the duration of the student's time at the college and provide substantial financial support for learning materials and technologies, tailored career and pathways planning and mentoring along with the expectation of a student leadership role.

Several scholarships will be offered in each of the areas described below.

We now seek expressions of interest / applications from year 5 and 6 students who show exceptional potential in the following areas:

- General Excellence & Citizenship
- Innovation & Enterprise
- Musical Futures
- Physical Fitness & Sports Science
- The Arts

General Excellence & Citizenship

Applicants demonstrate high learning behaviours across all learning disciplines. A well-rounded understanding in the areas of literacy, numeracy and excellent behaviour will support this application. A copy of the most recent student report is required to support this application and any other support material may be provided with the application. In addition to other provisions, this student will participate in the high achiever's numeracy/literacy programs at the College.

Innovation & Enterprise

Applicants are innovative, naturally curious and can think 'big' and 'outside the box'. This scholarship is designed for students who are creative and enjoy inventing, design and construction in many forms. The successful applicant will be provided with opportunities to extend their creative abilities through school and community programs.

Musical Futures

Applicants are passionate about music. They may have interest in a special musical instrument, singing, writing or recording music and dream of entering the music industry in some form, one day. With scholarship the successful student will receive free professional tuition in their instrument of choice, and strong pathways and subject selection planning to support a focus upon musicianship and the music industry.

Physical Fitness & Sports Science

Applicants are aspiring athletes, competitors, or may just have a passion for physical wellbeing. Students demonstrate these interests in their endeavours in and outside school. They are involved in extracurricular sports programs and may enjoy being a part of a team. The successful applicant(s) will be provided opportunities to extend their skill through participation and training in community sporting programs, training support and pathways planning.

The Arts

Applicants are passionate about two and three dimensional Art and human artistic expression in many forms. The suitable applicant will present their ideas and creative design(s) showing potential to extend their artistic abilities. This scholarship is open to all forms of the arts, drawing, painting, design, dancing, singing, acting, and more.

The successful applicant will be provided with opportunities to extend their artistic abilities through school and community programs, showcasing, exhibition and pathways planning.

We look forward to welcoming our 2023 scholarship applicants to Lalor North Secondary College, a place where our students are encouraged to IMAGINE, BELIEVE and show COURAGE to be the best they can be.

Applications must be made on the form provided, and should be submitted to The Principal, Lalor North Secondary College by Monday 12th September 2022 and applicants will be contacted to arrange a meeting as part of the selection process.
